VIRTUAL WORKSHOP FOR THERAPISTS

FAMILY MATTERS: INCORPORATING PARENTS INTO YOUR INDIVIDUAL WORK WITH MINORS

What You'll Learn:

- The differences between family therapy and involving parents in individual therapy
- Practical strategies to navigate parent involvement sessions, including in cases with divorce, separation or high family conflict
- How to utilize parent sessions to teach skills to parents/caregivers to increase effective communication with their child/teen.
- Increase confidence in structuring and running sessions with parents/family members present.
